

# *Journal of Health Education*

## 1996 Index of Titles and Authors

### **Titles**

- 1995 Journal of Health Education Index - January/February:54
- AAHE Scholar Address - November/December:332
- Alcohol and Interpersonal Violence: Implications for Educators (Continuing Education Article) - March/April:73
- Applying Teaching Techniques and Teaching Ideas in Methods Preparation Courses (Teaching Idea) - January/February:43
- Assessing Healthy Behavior Recognition in Preschool, Head Start Children - September/October:294
- Beyond Beijing—The U.N. Fourth World Conference on Women: Implications for Health Education Practitioners (Personal Perspective) - May/June:187
- Blaming the Victim: Selected College Students' Health and Illness Causation Beliefs - July/August:228
- Cardiovascular Objectives for Youth in Healthy People 2000: Update on the Status of Risk Factors - September/October:S17
- The Certified Health Education Specialist and Malpractice: Should Health Educators Be Concerned with Risk Management? (Personal Perspective) July/August:257
- Cervical Cancer Screening: Benefits and Barriers - November/December:351
- Characteristics of Pregnant Adolescents Receiving Prenatal Care at School-based or Hospital-based Clinics - January/February:30
- The Comfort Zone: The Role of Health Educators in Creating Elder Friendly Public Places (CLIPs) - September/October:318
- Community Assets Mapping: Community Health Assessment With a Different Twist (Personal Perspective) - September/October:321
- Community Knowledge, Attitudes, and Behaviors Related to Electromagnetic Radiation - November/December:375
- A Comparison of Sexual Knowledge, Behavior, and Sources of Health Information Between Deaf and Hearing University Students (Continuing Education Article) - May/June:14
- Computer-Assisted Instruction and HIV/AIDS ((Research Brief) - March/April:132
- Condom Use Among Unmarried Women Ages 15-44 (Research Brief) - May/June:197
- Countering Objections to Health Promotion Programming: The Objection/Rebuttal Approach (CLIPs) - May/June:187
- Creating Anti-Smoking Warning Labels - September/October:S63
- Creating Membership Action and Focus (President's Message) - July/August:204
- Crossing the I-Beam: Discovering Purpose in Life (Teaching Idea) - November/December:387
- Cultural Competence Development in University Health Education Courses (Continuing Education Article) - July/August:206
- Current Status of Children's Cardiovascular Health - September/October:S12
- Developing Fast Food Consumer Skills - September/October:S60
- Development and Preliminary Testing of an Organizational Heart Health Support Assessment - January/February:25
- Development of a Health Education Electronic Mail Directory (Teaching Idea) - September/October:326
- The Effects of Curriculum on Student Health Behaviors: A Case Study of the Growing Healthy Curriculum on Health Behaviors of Eighth Grade Students (Continuing Education Article) - September/October:278
- The Effects of Negotiated Contracts and Dietary Self Study on Nutrition Related Practices - May/June:178
- Expanding the Role of Community Centers for Health Education (CLIPs) - July/August:253
- Gender and Ethnic Diversity Within the Health Education Professorate via the Doctoral Pipeline - March/April:109
- Getting to Know Generation X: Health Education for the Thirteenth Generation (Continuing Education Article) - September/October:268
- A Health Education Paradigm Change Encompassing Religious Settings (CLIPs) - March/April:122
- The Health Education Profession in the Twenty-First Century: Setting the Stage - November/December:357
- Health Promotion Workshops for Seniors: Predictors of Attendance and Behavioral Outcomes (Continuing Education Article) - January/February:13
- Healthcare in the United States: Understanding the Alphabet Soup - November/December:365
- Heart-a-Chat: A Rhyming Script for Integrating Heart Health Education in the Elementary Grades - September/October:S54
- Heart Power!: From Classroom to Community - September/October:S50
- Ideas for Practitioners - September/October:S48

Immunization Service for Preschoolers: Determination of Utilization Among Low Income Mothers in New York City - September/October:312

It's Time to Consider the Alternatives—Even the Controversial Ones (Personal Perspective) - March/April:119

A One Year Post-Program Assessment of a Computer-Assisted Instruction (CAI) Weight Management Program for Industrial Employees: Lessons Learned - January/February:38

The Paradigm War, the Future of Education, and the Paradox of Health Education (Personal Perspective) - November/December:379

Parent Support, Physical Activity, and Correlates of Adiposity in Nine years Old: An Exploratory Study (Research Brief) - March/April:126

Pornography as a Source of Sex Information for College Students in Fraternities and Sororities - May/June:165

Positive Effects of Exercise and Physical Activity on Serum Lipids in Children - September/October:S27

The Power of Heart Health Education - September/October:S52

Practicing What We Preach: Focusing on Behavior Modification and Language Enhanced Curriculum in a Multicultural Classroom (Teaching Idea) - November/December:382

Professional Preparation in Mental Health/Illness Education - November/December:370

Promoting Healthful Behaviors in Children and Youth - September/October:S58

Reinforcing Bridges for the 21st Century (President's Message) - May/June:140

The Relationship Between Australian Students' Perceptions of Parental Behavior, School Policies, and Sun Protection Behaviors - July/August:242

Relationship Between Perceived Importance of Five Daily Servings of Fruits and Vegetables (5-A-DAY) and Actual Intake (Research Brief) - May/June:194

The Relationship Between Social Problem-Solving and High-Risk Health Behaviors Among Collegiate Athletes

(Continuing Education Article) - July/August:217

The Road Rally: An Application of Inquiry Based Learning - March/April:105

School-Based Cardiovascular Exercise and Nutrition Programs with Parent Participation -September/October:S32

Schools Play a Role in Fighting Heart Disease - September/October:S8

Seven Responsibilities and How They Grew (Continuing Education Article) - March/April:81

Sexual Harassment of Health Education Faculty by Co-Worker(s): Implications for the Profession - September/October:300

Sexuality Education, HIV/AIDS Education, and Contraceptive Use During Initial Coitus as Perceived Among Female College Students: A Comparison Between the United States and Sweden (Continuing Education Article) - May/June:156

Smoking Among Teenagers: Educational Recommendations and Resources - September/October:S40

Spiritual Health: An Annotated Bibliography - July/August:248

Teaching Cooperation for First Aiders: An Experiential Activity (Teaching Idea) - January/February:46

Teaching the Emotional Aspect of Drug Use, Abuse, and Dependency (Teaching Idea) - July/August:261

The Trading Cards Program: An Evaluation of Use of High School Role Models for Drug Abuse Prevention - March/April:115, May/June:183

Use of Technology in Health Instruction - September/October:S44

Tobacco Use Among Youth Living and Working in a Tobacco-Producing Region - (Continuing Education Article) - November/December:341

Using Focus Groups to Assess International Students' Perceptions about Substance Use and Related Services Available to Them at an American University - March/April:130

Using Portfolios for Assessment in the College Personal Health Course - March/April:92

Using Story Hour to Teach Elementary Children About Safe and Unsafe Food Choices (Teaching Idea) - September/October:321

Utilization of the Student Portfolio to Link Professional Preparation to the Responsibilities and Competencies of the Entry Level Health Educator (Continuing Education Article) - January/February:4

Values and Morals: Bridging the Gap Between Knowledge and Behavior (Continuing Education Article) - November/December:332

The Vendors' Fair: New Twist to an Old Idea (CLIPs) - November/December:375

The Wisconsin Elementary Health Education Pilot Project: Introduction and Overview - March/April:68

The Wisconsin Elementary Health Education Pilot Project: On-Site Interviews of Student Learning and Curricular Integration - July/August:235

The Wisconsin Elementary Health Education Pilot Project: Years One and Two Diffusion Activities - May/June:170

The Wisconsin Elementary Health Education Pilot Project: Year 2 Written Assessment of Knowledge, Attitudes, and Problem Solving Skill Changes - September-October:286

A Worksite Health Promotion Model for Public Schools (Personal Perspective) - January/February:48

Youth Perceptions of Heart Health Education: Utilizing the Application of Focus Groups -September/October:S24

## Authors

Airhihenbuwa, Collins O. - November/December:384

Allensworth, Diane - September/October:S17

Barr, Donald - January/February:25, November/December:380

Basu, Linda - May/June:183

Bensley, Loren B. - November/December:332,

Bensley, Robert J. - November/December:390

- Blodgett, Christopher - January/February:25
- Birch, David A. - March/April:92, September/October:S60
- Black, David R. - March/April:126
- Boulan, Tawnya - January/February:13
- Bradley, C. - March/April:68
- Buckner, Jr., W.P. "Pat" - May/June:140
- Caravella, T. - May/June:170
- Carlyon, William - March/April:81
- Chalkley, Chris - September/October:S63
- Clarke, Vivian P.J. - September/October:312
- Cleary, Michael J. - March/April:92
- Cochran, Sandra - November/December:380
- Cowdery, Joan E. - May/June:194, 197
- Crase, Darrell - March/April:109
- Cychosz, Charles M. - March/April:73
- Daniels, Todd M. - September/October:324
- Davey, Michael R. - May/June:144
- Dennison, Darwin - January/February:38
- Dennison, Kathryn F. - January/February:38
- Delprino, Robert - January/February:25
- Desmond, Sharon M. - May/June:144
- Detert, Richard A. - March/April:68, May/June:170, September/October:286
- Drew, Joseph - January/February:13
- Duggins, Rebecca - March/April:105
- Eddy, James M. - January/February:48
- Edwards, Gary - September/October:S63
- Ejlali, Christine - September/October:S24
- Elliott, Teri - September/October:294
- Fitzhugh, Eugene - January/February:48
- Galante, Dominic - January/February:38
- Gascogne, Jan L. - September/October:268
- Giesen, Judy L. - March/April:132
- Gingiss, Phyllis L. - January/February:30
- Golaszewski, Thomas - January/February:25, 38, November/December:380
- Gold, Robert S. - January/February:48
- Goodrow, Bruce - March/April:105
- Green, B. Lee - March/April:130
- Gruber, Mary B. - September/October:S32
- Hager, Ronald L. - September/October:S27
- Hamrick, Michael H. - March/April:109
- Hansen, Norma - September/October:S8
- Harokopos, Voula - November/December:351
- Harris, Jean L. - March/April:115, May/June:183
- Hart, Edward J. - May/June:178
- Hillman, Vance - September/October:300
- Hopper, Chris A. - September/October:S32
- Hovell, Melbourne F. - March/April:126
- Hu, Ping - September/October:300
- Jones, Chester S. - March/April:130
- Joseph, Jennifer M. - May/June:144
- Hisgen, Jon W. - September/October:S52
- Hoadley, Michael R. - September/October:S44
- Kerr, Dianne L. - September/October:268
- Keyser, Bette B. - January/February:4
- King, M. Joan - May/June:194
- Kittleson, Mark J. - January/February:46, September/October:321,
- Koch, Susan J. - May/June:183
- Kolody, Bohdan - March/April:126
- Kroll, Larry S. - November/December:341
- Lamarine, Roland J. - November/December:375
- Lammers, Jane W. - September/October:278
- Landsman, Leanna - September/October:S8
- Li, Qiuyue - May/June:144
- Lindsey, Gordon B. - September/October:S63
- Ludwig, Michael - May/June:183
- Luisi, Daria - September/October:312
- MacConnie, Susan - September/October:S32
- Maylath, Nancy S. - November/December:370
- McCarthy, Pamela R. - September/October:S50
- McCormack Brown, Kelli - September/October:300
- McDermott, Robert J. - November/December:351
- McGann, Mary, - January/February:13
- Micke, Marion M. - January/February:4
- Moller, James H. - September/October:S12, S48
- Monismith, Samuel - September/October:S8
- Morrow, Marilyn J. - January/February:4
- Munoz, Kathy D. - September/October:S32
- Nakornkhet, Nangnoy - September/October:S40
- Oganowski, J. Leslie - March/April:68, May/June:170, September/October:286
- Parks, Carolyn P. - September/October:321
- Parson, Nancy - September/October:300
- Perko, Michael A. - March/April:130
- Petasky, B. - September/October:286
- Petri, Cynthia J. - March/April:132
- Pollock, Marion B. - March/April:81
- Powers Noland, Melody - November/December:341
- Pretasky, Barbara J. - March/April:68, May/June:170
- Pullen, Carol - March/April:105
- Ragon, Bruce M. - May/June:190
- Sallis, James F. - March/April:126
- Sawyer, Robin G. - May/June:144
- Sbarbaro, Victor - November/December:375
- Schade, Debra - May/June:194
- Schindler, J. - September/October:286
- Schindler, Jay V. - March/April:68
- Schwartz, Israel M. - May/June:156
- Seidman, Robert - January/February:13
- Sharif, Behjat A. - November/December:387
- Shirreffs, Jan - March/April:119, September/October:318

Smith, Peggy B. - January/February:30

Straker, Howard O. - September/October:321

Taubert, Kathryn A. - September/October:S12

Taylor Fields, Tina - November/December:365

Torabi, Mohammad R. - September/October:S40

Ubbes, Valerie A. - September/October:324, S58, November/December:370

Wagner, Donald I. - September/October:S24

Waishwell, Lynn - January/February:4

Wang, Min Qi - May/June:194, 197

Washington, Reginald L. - September/October:S12

Weiler, Robert M. - January/February:43

Westerfield, R. Carl - May/June:194, 197

Westin, Karin - May/June:178

Wharton, Susan - May/June:197

Wilson, Bradley R.A. - September/October:S24

Woodhouse, Lynn - March/April:130

Wojtowicz, G. Greg - January/February:48

Wright, Bridget - January/February:13

Wiley, David C. - September/October:294

Wylie, Wayne E. - March/April:122

Zacccone-Tzannetakis, Paula R. - September/October:S54

## *Journal of Health Education* 1996 Reviewers

The *Journal of Health Education* wishes to thank the following individuals for serving as reviewers in 1996.

Doris A. Abood, PhD  
Florida State University

Veronica Acosta-Deprez, PhD  
California State University, Long Beach

Matthew Adeyanju, PhD  
University of Kansas

Collins Airhihenbuwa, MPH, PhD  
The Pennsylvania State University

Denise H. Amschler, PhD  
Ball State University

Barbara G. Bauer, PhD  
Columbia, MO

Mary K. Beyrer, PhD  
Ohio State University

David A. Birch, PhD, CHES  
Indiana University

John Bonaguro, PhD  
Ithaca College

Barbara A. Brehm, EdD  
Smith College

Clint Bruess, PhD  
University of Alabama at Birmingham

Linda Campanelli, PhD  
American University

Charles R. Carroll, PhD, CHES  
Ball State University

Lynn Carson, PhD  
West Chester University

Robert Collins, EdD, CHES  
Comprehensive Health Education  
Foundation  
Bellevue, WA

Brian Colwell  
Texas A&M University

Darrell Crase, PhD  
The University of Memphis

Renae Cunnien, PhD  
Mayo Clinic, Scottsdale, AZ

Joseph Darden, Jr., EdD  
Kean College of New Jersey

Michael Davey, EdD  
Western Illinois University

Thomas M. Davis  
University of Northern Iowa

Sigrid G. Deeds, DrPH, CHES  
California State University - Long Beach

Darwin Dennison, EdD, CHES  
State University of New York - Buffalo

Steve M. Dorman, PhD  
University of Florida

Karen Douglas, PhD  
West Virginia University

Vicki L. Douglas, PhD  
West Virginia University
